

Converse County Conservation District

Long Range/Land Use and Natural Resource Management Plan Survey

Converse County Conservation District is updating their Long Range/Land Use and Natural Resource Management Plan. Doing so will require the cooperation, work and dedication of many District residents and partners. We ask that you help us by filling out the following survey and returning it to our office by April 15, 2020. You can also fill out the survey online by going to our website at www.conserveconverse.org. The mission of the Converse County Conservation District is to provide leadership for the conservation of Converse County's soils and water, protect the agricultural resource base, promote the control of soil erosion, promote and protect the quality and quantity of Converse County's water and all other natural resources, preserve and enhance wildlife habitat, protect the tax base and promote the health, safety and general welfare of the county through responsible conservation ethic.

1. Where do you live?

- | | |
|---|---|
| <input type="checkbox"/> Bill
<input type="checkbox"/> Douglas (in city limits)
<input type="checkbox"/> Esterbrook
<input type="checkbox"/> Glenrock (in city limits)
<input type="checkbox"/> Lost Springs
<input type="checkbox"/> Orin | <input type="checkbox"/> Orpha
<input type="checkbox"/> Rolling Hills
<input type="checkbox"/> Shawnee
<input type="checkbox"/> I own property in Converse County but live in another location
<input type="checkbox"/> Other _____ |
|---|---|
