MISCELLANEOUS			
41	Please include all necessary information relating to total vehicle warranty, trade in and buyback options if available.		
42	The standard complement of tools, jack, wheel wrench and jack handle will be provided together with a rack or other device for storing them.		
43	It shall be the responsibility of the manufacturer supplying the vehicle to maintain an adequate stock of all regular and special parts to meet the continuing service needs.		
44	Upon delivery to Converse County Conservation District, the vehicle will be fully equipped in accordance with the specifications and proposal, and fully serviced and washed. The service shall be equivalent to that given by the dealer to the retail segment of his trade as prescribed by the manufacturer and shall include greasing, motor and drive train oil to the proper level, and a Full tank of gas.		
45	A copy of the dealer's order form showing the make, model, and all of the equipment that is being bid		
46	The manufacturers standard warranty will apply to the vehicle. If an out of town dealer bids a vehicle in which there is no authorized factory repair service in Converse County then the dealer will provide written proof where the vehicle can have warranty work done. If warranty repairs cannot be done locally then the dealer shall explain on an attached sheet how warranty work will be completed at no expense to the District.		
47	The successful bidder shall provide Converse County Conservation District with one operator/owner's manual for the vehicles.		
48	By checking this row yes and signing this form below, the dealer submitting this bid is representing the vehicle being bid meets or exceeds the specifications listed on this sheet. <i>Should the vehicle be delivered and is found not to meet these minimum standards then the vehicle will be refused and returned to the dealer and Converse County Conservation District will not be held liable for the costs of add on options to ensure the vehicle meets minimum specifications.</i>		
49	Delivery to Douglas, WY or FOB to dealership..		
50	Converse County Conservation District reserves the right to reject any and all bids, to waive any informalities or minor defects in the bids, to accept or reject any qualified or conditional bid, and to accept any item or combination of items in bid.
