Converse County	Budget Prepared by:	Michelle Huntington

-A BUDGET MESSAGE W.S. 16-12-403 (c

The Converse County Conservation District continues the operation and administration of the District including two full time salaried employees. The District occupies space in the USDA Service Center, owns various pieces of equipment and supplies, owns a vehicle and does not own real property.

The Converse County Conservation District operates with a positive cash flow with revenues received from a portion of the voter approved one mill tax levy, funds from the Wyoming Department of Agriculture and other state agencies and pass through project contributions from outside partners. The Board anticipates future needs by establishing and maintaining a Money Market account with money reserved for Emergency, Operating (Cash) and Depreciation purposes (see Reserve Description below). Projecting revenue outcomes has been challenging due to legislative changes impacting collection of mineral ad valorem and production taxes which funds the CCCD mill levy. The revenue picture in FY 2022/2023 has been distorted as two years of production taxes was collected in 12 months. Funds are being budgeted this fiscal year to refund mineral taxes that were paid incorrectly due to 75% of companies paying their deferred Converse County taxes in full. After the reconciliation occurs and overages paid to the Converse County Treasurer, any remaining budgeted funds in that line item will be placed in the reserve account. Excess funds not needed in the General Fund account will also be placed in reserves after July 1, 2023. The Converse County Conservation District pays organizational dues, reviews subdivision/land use development applications as necessary and develops and supports various youth and adult education programs. The District provides several cost-share assistance and grant programs for projects that provide public benefit and continues to be involved in natural resource management and planning. The District intends to purchase a new vehicle this fiscal year and will be using a bid process through Public Purchase.

S-B RESERVE DESCRIPTION

FY 23/24 Emergency \$400,000; Depreciation (Capitol) \$100,000; Operating (Cash) \$350,000

Any remaining budgeted funds from the ad valorem reconciliation and funds not needed in the CCCD general operating account will be placed in the Money Market account where these reserve funds are held.
