Converse County Conservation District
Community Pride Enhancement Program

The Converse County Conservation District's Community Enhancement Program provides for conservation and resource enhancement on public properties, for public benefit. These guidelines were developed to assist in prioritization and implementation of community projects.

PROJECT DESCRIPTION Provide a brief description of the project and the public benefits it will provide. (Public benefits include continued agricultural production to maintain open space and healthy ecosystems; enhanced opportunities for outdoor recreation; enhancements to air, land or water quality; maintenance or enhancement of wildlife habitat; preclusion of soil loss or disease; or other perceived public benefits.)

ASSISTANCE Please list the amount and kind of assistance you are requesting (trees, funding, planning, design, or other.)

RESPONSIBILITIES Please identify the necessary installation and maintenance responsibilities for the project. Please include a letter from the entity on which the property is managed, i.e. city, county. Proper planting, watering, weeding, and monitoring are necessary to ensure a successful project.

The board will prioritize the projects. A letter will notify you if this project has been accepted. Should this proposal be accepted, there could be additional contracts and agreements to sign.

Please limit your plan to one page. Attach maps and letters for the entities involved.

Projects are to be implemented in the spring of the contract year and completed by fall of the contract year**.**

If you have any questions, please call Michelle at 307-358-6735.
